## CORPORATE SOCIAL RESPONSIBILITY PROJECTS APPROVED BY THE BOARD

### ELGI MATRICULATION SCHOOL

Established in 1989, the ELGi School provides holistic education to 1,400 children from pre-primary to higher secondary level. The school provides affordable education to children from rural communities in Vellalore in the outskirts of Coimbatore.

Our mission and endeavor are to provide consistent quality education to children and youth in a nurturing environment.

#### **We make learning effective and enjoyable with**

- Spacious and furnished classrooms
- A computer lab with internet connection
- Science laboratories
- An auditorium with audio-visual aids
- A library with close to 10,000 books
- Special interest clubs such as music, philately or drama
- Opportunities to develop public speaking skills
- 'Kalam Hour' to foster interest in science
- Leadership skill development through NCC, Scouts and Guides
- Extra-curricular activities such as taekwondo, classical dance or chess

Our school students have excelled in both academics and extra-curricular activities. ELGi School students have won awards and accolades in a number of competitions held at the district, state, national and international levels. These include sporting events such as track and field, badminton, football, basketball, hockey, gymnastics, karate, throw ball, roller skating, chess and roll ball. They have also excelled in extracurricular competitions related to oratory skills, dance and yoga. Several of our students in Scouts and Guides programmes were recently recognized with the Governor's Award.
